Dear Friends,

I sincerely hope and pray that you are doing well. It has been a difficult time as we deal with a global pandemic. I continue to offer private masses for all of you and your intentions. We're also video recording Sunday Masses in both churches and working on providing better audio reception. I don't want to forget to extend my most sincere appreciation to those of you who continue to support the parish by means of your offertory envelopes. I can't thank you enough for your generous response. I know we all hope that it won't be long before you can return to mass here at St. Mary's.

Though we don't know with great certainty when that will happen, I think it's safe to say the manner in which we celebrate the liturgy of the Mass will likely need to be altered. Just as our other, daily activities have changed, so too will some of the aspects related to attending mass change, for the health and safety of everyone. This may involve some limitations to the number of parishioners who can attend a mass or the number of pews that can be used. Whatever safety measures are implemented, know that we will follow them, since doing so can save lives within our congregation. As those guidelines become known, we will certainly communicate them to all of you.

Until such time, I will keep you in my prayers. Stay well and God bless.

Sincerely Yours in Christ,  
Fr. Kelley

## 3 EASY STEPS

### TO KEEPING YOURSELF & OTHERS HEALTHY!

We are cautioned to be especially careful during the Coronavirus outbreak. Here are some simple ways to keep sickness away.

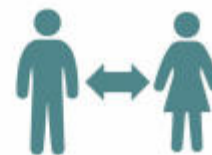

#### WASH YOUR HANDS

Wash your hands for at least 20 seconds using soap and water. If you can't wash your hands, use hand sanitizer frequently.

#### DON'T TOUCH YOUR FACE

Especially around the eyes, nose and mouth. If you must sneeze, use a tissue or your arm.

#### KEEP YOUR DISTANCE

Practice social distancing during this epidemic and stay away from large groups. Instead, call, email or check up on family and friends using social media.
