## LIVE THE LITURGY

### Inspiration for the Week

With our world in such constant turmoil and conflict, it makes such good sense to return to the simple directives given in the Ten Commandments. God's unassuming guidelines provide the perfect recipe for ordering our relationships with God, others, and even ourselves. But yet, we are so quick to glance beyond them and even remove them from public view because we foolishly believe we can create something better. Arrogance runs far deeper in the members of our society than we can ever imagine. Lent is a perfect time to call ourselves back to our foundations and the basic relationships that comprise our lives. It is also a time to remember that Jesus is the true sign of God's presence. Everything he says and does, including his suffering and death, is a sign of the God who sent him. The anger we witness when Jesus exhorts those in the temple to stop making his Father's house a marketplace can equally be seen in his anger and frustration over humanity's constant mission to turn God's creation into a secular world. We have a lot of work to do for sure.
