## 2021 Peter's Pence Collection for the Holy Father

Our second collection next week will be for Peter's Pence which unites us and Catholics around the world more closely with the Holy Father in two ways: it supports the structures of the Holy See through which the Pope governs the Church as well as his charitable efforts to assist victims of war, oppression, natural disasters, and others most in need.

Please **help by giving to the collection on July 24/25**, supporting the Holy Father as a witness of charity to those who are suffering.

Thank you, in advance, for your support and for helping to shed Christ's light by your support of the **2021 Peter's Pence Collection for the Holy Father.**

### **St. Mary Magdalene**

*Except for the mother of Jesus, few women are more honored in the Bible than Mary Magdalene. There has been a persistent legend in the Church that she is the unnamed sinful woman who anointed the feet of Jesus in Luke 7:36-50. Most Scripture scholars today point out that there is no scriptural basis for confusing the two women. Mary Magdalene, that is, "of Magdala," was the one from whom Christ cast out "seven demons" (Luke 8:2)—an indication at the worst, of extreme demonic possession or possibly, severe illness.*

*Mary Magdalene was one of the many "who were assisting Jesus and the Twelve out of their means." She was one of those who stood by the cross of Jesus with his mother. And, of all the "official" witnesses who might have been chosen for the first awareness of the Resurrection, she was the one to whom that privilege was given. She is known as the "Apostle to the Apostles." Her feast day is July 22nd.*
