Air Conditioning Installation Underway.....

We'd like to update you on the progress of the air conditioning of the Church. The installation process has begun and the majority of the work is being done in the basement of the church. We are eagerly awaiting the arrival of the individual units. To adequately air condition the church, it requires us to have 8 units within the body of the church located along each side wall and two on the sanctuary. As you may have noticed, we have already adjusted some of the pews to accommodate the size of the units as well as the clearance needed for proper air flow.

We have waited a long time for St. Mary's to be air conditioned. We realize we are one of the only churches in this area to be without air conditioning. However, thanks to your generosity, through the Re-Igniting our Faith Campaign as well as donations to the Restoration fund, our plan is now becoming a reality. Thank you all for patiently waiting for this to take place. We look forward to the day, sometime soon, when installation will be complete and we will all enjoy a much cooler, more comfortable place of worship.

Call Lynda at 518-237-8826. The next meeting of the St. Vincent de Paul Society will be held on Wednesday, September 8, 2021 in the lower meeting room of the parish hall.

Celebration of the Feast of the Assumption of the Blessed Virgin Mary

This year, the Feast of the Assumption takes place on a weekend and so we will have the opportunity to celebrate at both our weekend masses.

The St. Mary's Altar Society will host a reception in the parish hall after each mass next weekend.

On Saturday, August 14th, following the 4 p.m. mass, parishioners are invited to the Parish Hall for light refreshments.

On Sunday August 15th, the actual feast day, a reception will be held after the 8 a.m. mass, again in the parish hall. All are welcome for coffee and danish.
