WORKING ON THE MARGINS

Next week, November 20th & 21st, our special collec-
tion will support the Catholic Campaign for Human De-
velopment. Forty million people in the United States live
in poverty with countless more moving toward poverty
as a result of COVID 19. This collection supports pro-
grams that empower people to identify and address the
obstacles they face as they work to bring permanent and
positive change to their communities. Learn more about
the Catholic Campaign for Human Development at

In cemetery news.....

Visitors to St. Mary's Cemetery will notice a beautiful addition to the landscape, a shrine to the Blessed Mother. Located in the back, center of the cemetery, it is a place for family and friends to pray, reflect, and remember as they pay their respects to loved ones.

The design and construction of this shrine involved the expertise of many people. Our heartfelt thanks go out to Nick Christian and his staff at Saratoga Bomanite for the stamped concrete; Mike Darling for his construction of the retaining wall and Bob Romano and his staff at Riverview Construction for installing the life-sized statue of Our Lady, imported from Modena, Italy.
