Let's Hydrate St. Mary's School

At St. Mary's School, we are dedicated to our students' well-being and comfort. Our current water fountains need urgent replacement, impacting everyone's hydration needs.

Donating \$750 can help us replace a single old water fountain. Contributing \$1,100 allows us to update with modern bottle refilling stations. With \$5,000, we could completely overhaul our hydration facilities with 3 units and labor to install them.

Help us raise the funds to provide cleaner, healthier water for our students. Your donation makes a difference!
